

FRENCH
ÉTAGÈRE

c. 1950 | ENAMELED AND PERFORATED STEEL, GLASS | 24 ½ W × 8 D × 37 ¼ H IN

Étagère features two sliding glass doors concealing storage.

CONDITION

Assorted surface wear throughout: scattered points of loss to enamel, areas of discoloration and enamel loss to shelves, and shallow impressions visible under closer examination. Small losses to corners of glass doors which are not visible when installed. Overall this example is structurally sound and ready for use, showing in attractive vintage condition.
