CABINETS, PAIR

USA | LACQUERED WOOD, PATINATED BRASS, GLASS | 48 ½ W × 13 ½ D × 29 ½ H IN

Cabinets feature two doors concealing three adjustable shelves.

CONDITION

Good overall vintage condition, showing surface wear commensurate with age and use. Lacquered surfaces exhibit several scattered scratches, impressions, and some minor losses. Cabinets are sold with three adjustable shelves, one lacquered example appears to be original, where the remaining two glass shelves are likely later replacements. Glass shelves each show chips, in various sizes, along edges and corners, most notable to one example.
