CONDITION

Frames have general wear consisting of scattered abrasions, scratches, impressions, and scuffs. These issues are mainly only noticeable under raking light. Vinyl seats have moderate wear showing dimpling, scratches, abrasions, and scattered dye loss to their surfaces. Overall this set is in good condition. Please note this work may require the buyer to obtain a CITES permit to export out of the United States. Due to increased scrutiny regarding the issuance of CITES certificates, Rago/Wright/LAMA cannot guarantee an export permit will be granted.
