HENRIK WØRTS MØBELSNEDKERI | DENMARK, 1953 | STAINED OAK, CANE | 22 ½ W x 23 D x 32 ¾ H IN

Set includes two armchairs and four side chairs measuring: 19.75 w x 23 d x 32.75 h inches.

CONDITION

Frames show mars and indentations from regular use over time. Several visible separations to wood with subsequent repairs to others. Nails have been added to some in order to prevent cane from unraveling. Glides at tips of legs have been replaced. Overall an attractive set that would benefit from light restoration.
