ENVIRONMENT 70 ROTATING COFFEE TABLE

THAYER COGGIN | USA | ROSEWOOD, FORMICA | 58 DIA x 15 ½ H IN

CONDITION

Very good overall condition with wear from use. Rosewood veneer shows even fading to finish, a few small scratches, some shallow indentations, and a few minute chips concentrated along edges. Formica base shows scattered scratches, a few small chips, and some minor stains. Rotating mechanism functions smoothly and table is ready for use.
