ETAGERE

DIA (DESIGN INSTITUTE AMERICA) | USA | BRASS-PLATED STEEL, GLASS | 49 ¾ W × 18 ¾ D × 72 ¾ H IN

Etagere features eight removeable shelves and divided storage.

CONDITION

Wired for American outlets, equipped with a single socket for standard base tube bulbs. Rewiring required prior to use, as lighting element does not illuminate properly when tested for function. Good overall vintage condition. Brass elements exhibit several scattered scratches, as well as some pitting and oxidation throughout. Glass shelves retain a few chips to corners.
