

IN THE MANNER OF JACQUES ADNET

PAIR OF LOUNGE CHAIRS

| LEATHER, BRASS | 25 ¾ W × 27 D × 30 ¼ H IN

Impressed manufacturer's mark to leather at backslat on each example 'Made in France'.

CONDITION

Chairs present well, showing minor wear throughout commensurate with age and use including some evenly scattered crazing, with some slight finish loss to leather upholstery, primarily to legs and piping. Seat to one example exhibits a 3 inch area of petrification, possibly an older repaired tear. Brass feet retain a nice patina of age. Good overall vintage condition.
